# THE MANASOTA BLACK CHAMBER OF COMMERCE

The Manasota Black Chamber of Commerce is dedicated to the economic empowerment of African American communities throughout our great city. We believe that entrepreneurship and capitalistic activity are the keys to quality of life and a stronger economy. We belong to the federation of chambers under the leadership of the National Black Chamber of Commerce located in Washington, DC. There are chapters on four continents and we can directly communicate with them.

We also are adept at weighing in on current issues such as telecommunications, energy, environment, financial affairs, education, trade, labor, etc. Our partners can count on us for advice and assistance whenever it is needed. As President/CEO I invite you to consider having a partnership with the MBCC.

We are a nonprofit 501©3 corporation and your donation is tax deductible. In the interim we can have our national organization be our fiscal agent if needed. Enclosed is more information about our chamber. We appreciate your consideration and can't wait to meet to discuss membership opportunity further with you.

Sincerely,  
Tarnisha L. Cliatt  
President/CEO
